

Volume 159: February 2016

Dear Human Resources Officers

As you are aware with effect from 1 March 2016, the so called T-day provisions of the Taxation Laws Amendment Bill will apply. This means that member contributions or monies RECEIVED by provident funds on or after 1 March 2016 will need to be recorded separately and will fall into the new tax regime.

We therefore urge employers to ensure that all member contributions are paid into the Fund's bank account by no later than 29 February 2016 to ensure that these contributions do in fact fall into the pre-1 March 2016 tax dispensation in order to enjoy the benefits due to them in terms of the current tax laws.

Please visit the CRF website on www.crfund.co.za for more information on the new legislation.

With kind regards
Your Consolidated Retirement Fund Communication Team
