PORTFOLIO DESCRIPTION & OBJECTIVE

The Children's Benefit Portfolio (CBP) was set up in November 2020 for death benefits allocated to minor children upon the death of a member of the Fund. The CBP will pay regular benefits to the member's children or guardians of the children.

The CBP is a hybrid portfolio, which invests in both balanced funds and specialist mandates but will hold sufficient cash to fund monthly beneficiary payments and ad-hoc beneficiary payments on request.
